PETITION FOR JOINT LOCATIONS - EXISTING POLES

Lowell, Mass., April 26, 1935.

To the Board of Selectmen
of the Town of Chelmsford, Massachusetts.

THE LOWELL ELECTRIC LIGHT CORPORATION and THE NEW ENGLAND TELEPHONE & TELEGRAPH COMPANY OF MASSACHUSETTS each having locations in certain streets of the municipality, represent that The Lowell Electric Light Corporation and The New England Telephone & Telegraph Company of Massachusetts have heretofore been granted locations for and erected in said locations poles, with wires and fixtures thereto attached, along and across the following public way or ways: -

Street	No. Poles	Plan No.
Evergreen Street	11	C-3803
Cypress Street	2	"
Seneca Avenue	2	"
Sunset Avenue	12	"
Juniper Street	5	C-3804

PETITION FOR JOINT LOCATIONS—EXISTING POLES

Lowell, Mass., June 6, 1935

To the Board of Selectmen

of Chelmsford, Massachusetts.

THE NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY OF MASSACHUSETTS and

THE LOWELL ELECTRIC LIGHT CORPORATION

each having locations in certain streets of the municipality, represent that

both companies

have
~~has~~ heretofore been granted locations for and erected in said locations poles, with wires and fixtures thereto attached, along and across the following public way or ways:—

Westland Avenue from Dalton Road, northerly, 9 poles
Perham Street from Billerica Street, southerly, 2 poles
Stedman Street from Dalton Road, northerly, 8 poles
Littleton Road from Westford Road, westerly, 16 poles
Wilson Street from Billerica Street, northwesterly, 4 poles
Golden Cove Road from Billerica Street, northerly, 1 pole

and that it is desirable that said poles be used for the attachment of the wires and fixtures of your petitioners.

Wherefore they ask that they be granted joint or identical locations for said existing poles, with the right to maintain wires and fixtures thereon, together with such sustaining and protecting fixtures as they may find necessary, said poles to be maintained substantially in accordance with the plan filed herewith marked—
THE N. E. T. & T. CO. OF MASS., No. 235 Dated 4-30-35

Your petitioners agree to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

PETITION FOR TRANSFER OF TITLE AND INTEREST IN EXISTING POLES

THE LOWELL ELECTRIC LIGHT CORPORATION and THE NEW ENGLAND TELEPHONE & TELEGRAPH COMPANY OF MASSACHUSETTS being Companies incorporated for the doing of business in the State of Massachusetts, respectfully represent that The Lowell Electric Light Corporation has heretofore been granted pole and wire locations upon and along

Groton Road - 2 poles

as shown on plan "C-4000" dated July 20, 1936, and that said locations are no longer required by The Lowell Electric Light Corporation, its ownership and obligation in said poles having been transferred to The New England Tel. & Tel. Co. of Mass. and that it is therefore desirable that said locations be transferred to The New England Tel. & Tel. Co. of Mass.

WHEREFORE your petitioners pray that in accordance with Chapter 166 of the Acts of 1925, without notice or hearing, said locations for said existing poles, with the right to maintain ten (10) prd wires and two (2) ae. cables, be transferred to The New England Tel. & Tel. PETITION FOR TRANSFER OF LOCATIONS - EXISTING POLES

THE LOWELL ELECTRIC LIGHT CORPORATION, THE NEW ENGLAND TELEPHONE & TELEGRAPH COMPANY OF MASSACHUSETTS and THE EASTERN MASSACHUSETTS STREET RAILWAY COMPANY being Companies incorporated for the doing of business in the State of Massachusetts respectfully represent that The Lowell Electric Light Corporation, The New England Telephone & Telegraph Company of Massachusetts and The Eastern Massachusetts Street Railway Company have heretofore been granted pole and wire locations upon and along the public way or ways:-

Chelmsford Street - 6 poles
Bartlett Street - 1 pole
Boston Road - 7 poles

as shown on plan "C-4103" dated April 13, 1937, and that said locations are no longer required by The Eastern Massachusetts Street Railway Company, its ownership and obligation in said poles having been transferred to The Lowell Electric Light Corporation and The New England Telephone & Telegraph Company of Massachusetts and that it is therefore desirable that said locations be transferred to The Lowell Electric Light Corporation and The New England Telephone & Telegraph Company of Massachusetts.

WHEREFORE your petitioners pray that in accordance with Chapter 166 of the Acts of 1925, without notice or hearing, said locations for said existing poles, together with necessary sustaining and protecting fixtures be transferred to The Lowell Electric Light Corporation and The New England Telephone & Telegraph Company of Massachusetts, with the right to maintain by said The Lowell Electric Light Corporation twelve (12) single wires and by said The New Eng. Tel. & Tel. Co. of Mass. ten (10) prd. wires and two (2) ae. cables. Said poles to be maintained substantially in accordance with the plan filed herewith marked "C-4103" dated 4/13/37.

Lowell, Mass., September 15, 1937

To the Board of Selectmen of the Town of Chelmsford, Massachusetts.

PETITION FOR TRANSFER OF LOCATION - EXISTING POLE

THE LOWELL ELECTRIC LIGHT CORPORATION and THE NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY OF MASSACHUSETTS being Companies incorporated for the doing of business in the State of Massachusetts respectfully represent that The Lowell Electric Light Corporation has heretofore been granted a pole and wire location upon and along the public way or ways:-

Main Street - 1 pole

as shown on plan "C-4173" dated September 13, 1937, and that said location is no longer required by The Lowell Electric Light Corporation its ownership and obligation in said pole having been transferred to The New England Tel. & Tel. Co. of Massachusetts and that it is therefore desirable that said location be transferred to The New England Tel. & Tel. Co. of Massachusetts.

WHEREFORE your petitioners pray that in accordance with Chapter 166 of the Acts of 1925, without notice or hearing, said location for said existing pole, with the right to maintain twelve (12) single wires and fixtures as may be further necessary, be transferred to The New England Tel. & Tel. PETITION TO MAINTAIN EXISTING POLE LOCATION
PETITION FOR POLE RELOCATION

Lowell, Mass., June 8, 1938

To the Board of Selectmen

of the Town of Chelmsford, Massachusetts.

The Lowell Electric Light Corporation represents that it has heretofore erected a pole with wires and fixtures thereto attached on the unaccepted portion of a street in the municipality, which portition of the street has since been accepted; and that said pole should be relocated to conform to street and property lines as now laid out.

The following are the public ways or parts of ways along which the pole above referred to is erected -

C Street - 1 pole

Wherefore, it asks that without notice or hearing, as provided in Chapter 166 of the General Laws, that it be granted location and relocation for and permission to maintain pole and twelve (12) single wires together with such sustaining and protecting fixtures as it may find necessary, said pole to be maintained substantially in accordance with the plan filed herewith ma rked - The Lowell Electric Light Corporation No. "C-4262" dated June 8, 1938.

Your petitioner agrees to reserve space for one crossarm at a suitable point on said pole for the fire and police signal wires belonging to the municipality and used by it exclusively for municipal purposes.

Dear Sir,

Please find enclosed a petition from the Inhabitants of Chelmsford, requesting the Council to erect a Public Light at the junction of Moulsham Street with Springfield Road.

The Council have had this matter under consideration on several occasions, and have decided that the Petition cannot be granted, as the Council have no power to erect Lamps outside the Borough.

Yours faithfully,

General Manager.

The Secretary,
Chelmsford Rural District Council.

ORDER FOR CONDUIT LOCATION

In Board of Selectmen of the Town of Chelmsford, Massachusetts

ORDERED:

That permission be and hereby is granted THE NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY OF MASSACHUSETTS to lay and maintain underground conduits and manholes, with the wires and cables to be placed therein, under the surface of the following public way :—

Lowell Road from Lowell Line, southwesterly,

Also that permission be and hereby is granted THE NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY OF MASSACHUSETTS to lay and maintain underground conduits, manholes, cables and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as it may desire for distributing purposes.

13 63

The foregoing permission is subject to the following conditions:—

1. The conduits and manholes shall be of such material and construction and all work done in such manner as to be satisfactory to the Board of Selectmen or to such officers as it may appoint to the supervision of the work, and a plan showing the location of conduits constructed shall be filed with the Town when the work is completed.

2. In every underground conduit constructed by said Company one duct not less than three inches in diameter shall be reserved and maintained free of charge for the use of the fire, police, telephone and telegraph signal wires belonging to the Town and used by it exclusively for municipal purposes.

3. Said Company shall file with the Town its agreement to indemnify and save the Town harmless against all damages, costs and expense whatsoever to which the Town may be subjected in consequence of the acts or neglect of said Company, its agents or servants, or in any manner arising from the rights and privileges granted it by the Town.

4. In addition to such agreement, said Company shall, before a public way is disturbed for the laying of its wires or conduits, execute its bond in a penal sum of Five Thousand Dollars ($5,000) (reference being had to the bond already on file with said Town) conditioned for the faithful performance of said agreement and of its duties under this permit.

5. Said Company shall comply with the requirements of existing by-laws and such as may hereafter be adopted governing the construction and maintenance of conduits, poles and wires.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the 1st day of Feb. 193 9.

Co. of Massachusetts have heretofore been granted pole and wire locations upon and along

Dalton Road - 6 poles

as shown on plan "C-4357" dated April 24, 1939, and that said locations are no longer required by The Lowell Electric Light Corporation its ownership and obligation in said poles having been transferred to The New England Tel. & Tel. Co. of Mass., and that it is therefore desirable that said locations be transferred to The New England Tel. & Tel. Co. of Mass.

WHEREFORE, your petitioners pray that in accordance with Chapter 166 of the Acts of 1925, without notice or hearing, said locations for said existing poles, with the right to maintain such wires and cables as are necessary be transferred to The New England Tel. & Tel. Co. of Massachusetts. Said poles to be maintained substantially in accordance with the plan marked "C-4357" dated 4/24/39 and filed herewith.

ORDER FOR JOINT LOCATIONS—EXISTING POLES

In Board of Selectmen of the Town of Chelmsford, Massachusetts
ORDERED:
That THE NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY OF MASSACHUSETTS and

THE LOWELL ELECTRIC LIGHT CORPORATION

each having locations in certain of the streets of the municipality, be and they are hereby granted a joint location for and permission jointly to maintain poles already existing and their respective wires to be placed thereon, together with such sustaining and protecting fixtures as any of said Companies may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said Companies dated the 13th day of June, 1939

All construction under this order shall be in accordance with the following conditions:—

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked—THE N. E. T. & T. CO. OF MASS., No. 240 & 285 Dated 6-7-39 —filed with this order. There may be attached to said poles by said THE NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY OF MASSACHUSETTS not to exceed the necessary wires and cables

and by said

THE LOWELL ELECTRIC LIGHT CORPORATION, such wires, cables and fixtures as are necessary in its business

and all of said wires and cables shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to are located, and the number of poles:—

63-21

North Road from Parkhurst Road, southerly, 1 pole
Riverneck Road from Gorham Street, westerly, 2 poles

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the first day of July 1939

PETITION FOR JOINT LOCATIONS—EXISTING POLES

Lowell, Mass., June 13, 1939

To the Board of Selectmen

of Chelmsford, Massachusetts.

THE NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY OF MASSACHUSETTS and

THE LOWELL ELECTRIC LIGHT CORPORATION

each having locations in certain streets of the municipality, represent that

THE NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY OF MASSACHUSETTS

~~have~~
has heretofore been granted locations for and erected in said locations poles, with wires and fixtures thereto attached, along and across the following public way or ways:—

North Road from Parkhurst Road, southerly, 1 pole
Riverneck Road from Gorham Street, westerly, 2 poles

and that it is desirable that said poles be used for the attachment of the wires and fixtures of your petitioners.

Wherefore they ask that they be granted joint or identical locations for said existing poles, with the right to maintain wires and fixtures thereon, together with such sustaining and protecting fixtures as they may find necessary, said poles to be maintained substantially in accordance with the plan filed herewith marked—THE N. E. T. & T. CO. OF MASS., No. 240 & 285 Dated 6-7-39

Your petitioners agree to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

Also that permission be and hereby is granted said NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY to place and maintain underground laterals, manholes, handholes, cables and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as it may desire for distributing purposes.

The foregoing permission is subject to the following conditions:

1. The laterals, manholes, handholes and markers shall be of such material and construction and all work done in such manner as to be satisfactory to such municipal officers as may be appointed to the supervision of the work, and a plan showing the location of buried cable laid shall be filed with the Town when the work is completed.
2. Said Company shall file with the Town its agreement to indemnify and save the Town harmless against all damages, costs and expense whatsoever to which the Town may be subjected in consequence of the acts or neglect of said Company, its agents or servants, or in any manner arising from the rights and privileges granted it by the Town.
3. In addition to such agreement, said Company shall before a public way is disturbed for the placing of its buried cable, execute its bond in a penal sum of Five Thousand Dollars ($ 5,000.00) (reference being had to the bond already on file with said Town) conditioned for the faithful performance of said agreement and of its duties under this permit.
4. Said Company shall comply with the requirements of existing by-laws and such as may hereafter be adopted governing the construction and maintenance of buried cable, conduits and wires so far as the same are not inconsistent with the laws of the Commonwealth.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the first day of September 1939.

PETITION FOR TRANSFER OF TITLE AND INTEREST IN EXISTING LEL POLES

Lowell, Mass., August 29, 1939

To the Board of Selectmen

of the Town of Chelmsford, Massachusetts.

The Lowell Electric Light Corporation and the New England Tel. & Tel. Co., being Companies incorporated for the doing of business in the State of Massachusetts respectfully represent that The Lowell Electric Light Corporation has heretofore been granted pole and wire locations upon and along

Sprague Street - 4 poles

as shown on plan "C-4388" dated August 25, 1939, and that said locations are no longer required by The Lowell Electric Light Corporation its ownership and obligation in said poles having been transferred to the New England Tel. & Tel. Co., and that it is therefore desirable that said locations be transferred to the New England Tel. & Tel. Co.

WHEREFORE, your petitioners pray that in accordance with Chapter 166 of the Acts of 1925, without notice or hearing, said locations for said existing poles, with the right to maintain such wires and cables as are necessary be transferred to the New England Tel. & Tel. Co., Said poles to be maintained substantially in accordance with the plan marked "C-4388" dated 8/25/39 and filed herewith.
